Ching-Yi Liu is Associate Professor in the Graduate Institute of National Development at National Taiwan University, and the Principal Investigator of the Forth Project (ASPA) of TELDAP (Taiwan E-Learning and Digital Archives Program).

Professor Liu started her legal studies in the Department of Law and the Graduate Institute of Law at National Taiwan University. After graduating from National Taiwan University, she was awarded fellowship by the government to study in the U.S.A., where she received LL.M from Harvard Law School and the University of Chicago. In 1997, Ms Liu received her J.S.D. from the University of Chicago and started her academic career in Taiwan. Prior to joining faculty in National Taiwan University, Professor Liu has taught in Tamkang University and National Central University for a couple of years. Professor Liu's specialties, among others, include Information Law, Telecom Law, Human Rights Law, Law and Economics, and Anti-trust Law. In addition to her work for TELDAP, she also serves as the supervisor of the Taiwan Network Information Centre.

Specialty: Information Law and Telecom Law, Human Rights, Law and Economics
