

Curriculum Vitae

Name : Piyawut Srichaikul **Gender :** Male

Contact Address : National Electronics and Computer Technology Center,
112 Thailand Science Park, Pahonyothin Rd., Klong 1, Klong Luang,
Pathumthani, 12120

Telephone: +662-564 6900 ext. 2424 Fax : +662-564 6887
e-mail : piyawut.srichaikul@nectec.or.th

EDUCATION BACKGROUND

- Ph.D. (Solid State Physics), Auburn University, Alabama, USA (1995)
- MS (Physics), Auburn University, Alabama, USA (1991)
- B.Sc. (Physics), Chulalongkorn University, Thailand (1986)

WORKING EXPERIENCE

Present	Assistant Executive Director, Platform Technology Program, NECTEC
2007 - 2009	Program manager, Knowledge Engineering Technology, NECTEC
2004-2006	Division Director, Computing Research and Development, NECTEC
1995 - 2004	Researcher and Coordinator, High Performance Computing Research and Development, NECTEC
1995 - present	Employee of National Science and Technology Development Agency (NSTDA) affiliated to National Electronics and Computer Technology Center (NECTEC)

PROFESSIONAL INTEREST

- Computational Science and Engineering
- High Performance Computing
- Knowledge Engineering
- Technology Management

INTERNATIONAL PARTICIPATION:

2002 - present	Pacific Rim Applications and Grid Middleware Assembly (PRAGMA), - Member (2002 - present) - Steering Committee member (2003 - 2008) - Deputy Chair (2007-2008)
2003 - present	Pacific Neighborhood Consortium (PNC), - Member - Steering Committee member (2004- present)
2001 - 2006	Asia Pacific Advanced Network (APAN), - Grid Computing WG, e-Science WG, e-Culture WG
