www.hkedcity.net, the largest one-stop professional educational portal in Hong Kong, is operated by the Hong Kong Education City Limited. The portal incorporates information, resources, interactive communities and online services, and promotes the use of information technology (I.T.) in improving the effectiveness of teaching and learning.

The vision of Hong Kong Education City is to:

- serve as a depository of curriculum-related educational resources
- facilitate online interaction and exchange among teachers, students and parents
- serve as a bridge between schools, NGOs, academia and commercial vendors
- bring new teaching and learning experience and methods into classrooms and home through the use of new technology

The Hong Kong Education City is committed to creating an environment for the community to exchange best practices, share resources and learn from each other. And ultimately, making learning more fun, engaging, and personalized for our next generation.
