Education

Bachelor of Mathematics (B.Math)
The University of Newcastle, NSW, Australia.
(Awarded 24 April 1982)

Postgraduate Diploma in Information Management-Librarianship. (Dip IM-Lib)
University of New South Wales, NSW, Australia.
(Awarded 13 February 1984)

Master of Applied Science (Library & Information Management). (MAppSc (Lib&InfoMgt)).
Charles Sturt University, NSW, Australia
(Awarded 14 April, 2004)

Doctor of Education (EdD)
Durham University, UK
(Current EdD candidate, since 2006 with expected completion 2011/2012. Tentative thesis title:
Information Literacy and the Digital Native: New Perspectives, New Approaches).

Employment History

Deputy Librarian, The University of Hong Kong (11 December 2001 – present).

Duties:

Provide leadership in the development, implementation and delivery of the full range of library services.

To be a member of the Libraries Senior Management Team and to contribute to the fulfilment of the Libraries mission and goals and to advise the University Librarian on policy matters and strategic directions relating to the full range of library services, including the Libraries' human, financial and physical resources.

Contribute significantly to the development and implementation of the Libraries' strategic plan and other related projects.

Committee work includes:

Library *Quality Assurance Team* (Chair)

Library *Senior Management Team*

University's *Knowledge Team* (vice Chair)

Knowledge Team *Institutional Repository Taskforce* (Chair).

University's Centennial Campus *Learning Commons Working Group*

University's *Disability Action Committee*

Senate *Library Committee*

Recent project work includes:

- Project Manager, *RFID implementation* [cited in Yen, B (2009), *Making RFID Work: The World's Largest University Library RFID Implementation*, {Poon Kam Kai Series}, Hong Kong: Asia Case Research Centre, The University of Hong Kong]. Awarded *Certificate of Merit* at the GS1 (HK) RFID Awards 2009, <<http://www.epcglobal.org.hk/pdf/Hong%20Kong%20RFID%20Awards%202009%20Case%20Book.pdf>>.
- HKU Coordinator for *International Academic Library RoI Study* sponsored by Elsevier, <<http://libraryconnect.elsevier.com/lcn/0701/lcn070104.html>>.
- Project Manager and Facilitator, *HKUL Annual Library Leadership Institute* <<http://lib.hku.hk/leadership/>>
- Project Manager, *Hing Wai (remote storage facility) Service Delivery Review*
- Project Manager, *Improving SPACE Satisfaction and use of Library Resources*.
- Team Member, *Main Library 3rd Floor Learning Commons Renovation Team*
- Team Member, *Centenary Library Celebration Plan*
- Team Member, *Establish Learning Commons Functions in the Main Library*
- Facilitator, *Internal Customer Service Training Workshops*.

Employment History (continued)

Program Manager, Client Services, Information and Education Services Division, The University of Newcastle (1 February 1999 – 4 December 2001).

Duties:

Provide leadership in the development, implementation and delivery of information and technology services. Manage and lead the Client Services Program (a Program of the Information and Education Services Division with over 60 staff providing integrated frontline library and technology services to staff and students) including the Program's human, financial and physical resources.

Significant Committee Membership:

Information and Education Services Division Management Committee

Library Management Committee (Chair)

Information Services Committee (ex-officio member)

Information and Education Services Division Communication and Publications Committee

Scholarly Information Resources and Access Committee (Chair)

GroupWise Management Committee (Chair). GroupWise is the corporate email/calendaring system adopted throughout the University.

Service Level Agreement Steering Committee (Chair).

Founding Law Librarian, The University of Newcastle (28 September 1992 - 31 January 1999).

Responsible for the day to day management of the Law Library including: developing the collection; establishing and supervising a full suite of services; coordinating and teaching legal research in the first year compulsory subject Legal System and Method, and; establishing, developing and supervising a Law Library for The Newcastle Legal Centre.

Associate Law Librarian, University of New South Wales (March 1991 - August 1992).

Senior Librarian, Law Library, University of New South Wales (June 1989 - February 1991).

Librarian, Law Library, University of New South Wales (April 1988 - June 1989).

Library Assistant, Law Library, University of Sydney (August 1986 - April 1988).

Temporary Librarian, University of Sydney Library, (February 1986 - August 1986).

Social Sciences Reference Librarian, Canterbury Public Library, Christchurch, New Zealand (February 1985 - October 1985).

Cataloguing Librarian, State Library of New South Wales (July 1984 - January 1985).

Consultancies, Projects etc

Library Training Consultant, China Agricultural University, Beijing, China (5-9 July 2010).

To conduct a five day English training program to 48 librarians based on new developments in library science and information management. Specifically to identify:

1. To broaden participants' knowledge in information management and services;
2. To improve participants' ability in English skills (listening, speaking, reading and writing);
3. To enable participants' to understand the basic skills of information management with an emphasis on library assessment and a particular focus on approaches to developing statistics, performance measures and data collection techniques.

Library Consultant, Xiamen University Library, Xiamen, China (24-28 January 2010).

To advise on their special collections conservation, preservation and digitization needs. Specifically to identify:

4. What should be the scope and significance of the special collections in Xiamen University Libraries?
5. How to take further measures to achieve the systematic and scientific conservation and preservation?
6. The involvement of digital technology.

Committee Member, Track Director and Session Chair (Knowledge Management in Libraries and Information Sectors), *The 6th International Conference on Knowledge Management (ICKM 2009)*, December 3-4, 2009, Hong Kong, China.

Member, Editorial Advisory Board, *Library Management*, ISSN: 0143-5124, Emerald Group Publishing Limited, (March 2009-).

Co-Investigator, RFID-enabled Library Management Systems, in conjunction with the E-Business Technology Institute (ETI), The University of Hong Kong, (July 2007 - September 2008).

To investigate research and development projects to further enhance RFID applications in a library environment.

Library Consultant, Peking University Library, Beijing, China (October 2004 – November 2006).

Starting in 2004, for a three year period, to provide an annual assessment on the service programmes provided at the Peking University Library by annually spending 1 – 2 weeks at the institution, interviewing staff and users, submitting written reports and giving relevant presentations. Three unpublished reports were produced:

Sidorko, P.E. (2004) *Reader Services at the Peking University Library: Report of an Investigation*, 25p.

Sidorko, P.E. (2005) *A Review of the Circulation and Periodicals Departments at Peking University Library*, 26p.

Sidorko, P.E. (2006) *A Review of Branch Libraries Development at Peking University Library*, 25p.

Principal Investigator, LEARNet, The University of Hong Kong (July 2003 – October 2004).

Member (Advisory Committee & Management Committee), LEARNet, The University of Hong Kong (December 2002 – June 2003; November 2004-January 2006).

LEARNet was a learning object repository and a means of sharing quality educational resources among the tertiary institutions in Hong Kong. As Principal Supervisor of this Universities Grants Committee funded project it was my responsibility to see that LEARNet, through the Learning Resources Catalogue (LRC³) was adopted across the 8 UGC institutions and that the production of learning objects was funded from the LEARNet production fund. This included chairing both the LEARNet Management & Advisory Committees.

Member, Joint University Libraries Advisory Committee Taskforce on User Initiated Document Delivery, 2002 and HKALL Experiment Taskforce, 2002-2004.

Principal Coordinator and Facilitator, The University of Hong Kong Libraries Annual Leadership Institute, (2002- present).

The University of Hong Kong Libraries Leadership Institute is a residential leadership institute for librarians in the Asian region. Held annually the institute aims to provide quality leadership training for librarians from the region in a cost effective manner. The primary objectives of the Institute are (i) to develop and enhance management and leadership qualities in academic and research librarians in the East Asia region, and (ii) to enhance collaboration and foster relations among academic and research libraries in the region. Drawing participants from Hong Kong, Macau, Mainland China, Taiwan, Singapore, Malaysia, Thailand and the Philippines, the institute has been well received and is gaining recognition as the premier leadership training institute for librarians in Asia <http://lib.hku.hk/leadership/>.

Faculty Member, CAUDIT-EDUCAUSE Institute (December 2000 – December 2003).

This management institute offers an annual program in Australia, the CAUDIT-EDUCAUSE Institute is designed as a professional development program for those who manage some aspect of information technology and resources in higher education, whether within their department or for the entire institution. As a Faculty member I was responsible for presenting sessions and mentoring participants during the five-day residential Institute. See <http://www.caudit.edu.au/caudit/institute/> for further details.

Steering Committee Member and Project Participant, *Activity Based Costing: A Study to develop a costing methodology for Library and Information Technology Activities for the Australian Higher Education Sector*, Canberra: Department of Education, Training and Youth Affairs, Higher Education Division, 2001.

During the first half of 2000, the Information and Education Services Division of the University of Newcastle undertook an activity based costing (ABC) study into its library and IT services. The study followed the methodology and objectives of the DETYA-sponsored study to develop a costing methodology for the Australian Higher Education Sector, the final report of which was released in May 2000, concurrent with the completion of this study. Report available at <<http://www.dest.gov.au/archive/highered/otherpub/libraries/libraries.pdf>>.

Member, Board of Faculty Advisors (1995–2000), *The Newcastle Law Review*, ISSN: 1324-8758, The University of Newcastle, Faculty of Law.

Information Skills Consultant, The University of Western Sydney (7-18 September 1992).

Investigating the information skills program of the library. To develop goals and objectives for an information skills program; to gain library wide acceptance and recognition of such goals and objectives (sample methodology); to plan implementation of strategies to gain such acceptance; to gain University and faculty wide acceptance and recognition of such objectives; to establish appropriate methods of assessment for such instruction; and to establish suitable methods of assessing the effectiveness of these programs.

Professional Affiliations

Hong Kong Library Association, Full Member (MHKLA).
