Subject: Confirmation on the PNC 2011 Annual Conference and Joint Meetings

Dear all participants,

As you may have seen on news, Thailand is currently encountering flood situation in many provinces. The Royal Thai Government and private sectors are collaborating to prevent and reduce damages of this natural disaster to reach the inner Bangkok and its Central Business Districts as well as the Suvarnabhumi International Airport at all cost.

Therefore, as one of the local hosts, we would like to ensure you that the flooding will not affect the PNC 2011 Annual Conference and Joint Meetings. The Conference's venue and the transportation to the conference are in the inner Bangkok and will not be affected by this disaster. It is confirmed that PNC 2011 Annual Conference and Joint Meetings will still be held on October 19-21, 2011 at Sasin Graduate Institute of Business Administration of Chulalongkorn University, Bangkok according to the planned schedule. However, please be advised that we do not recommend for traveling to outer Bangkok during this period.

We are looking forward to welcome you in this important event and thank you for your concerns.

Sincerely yours,

Dr. Royol Chitradon

Director

Hydro and Agro Informatics Institute

Management Division
